5 The increase is almost entirely due to the proposed improvement in the rates of pay. The question affording relief to low paid staff on acct of high Cost of living is now before Govt and orders passed on it will remove much of the difficulty represented by the S.J. The increase of pay of establt of warders &c does not therefore be considered separately.

It is, I think, the present system of the establishment of the Lunatic Asylum is unsatisfactory. There is much room for improvement in the present scale of pay of the Medical staff & I would suggest that the Medical Officer 2 cannot be had for that pay. The pay of the attendants 2 under ~~low~~ ranges from Rs 6 to Rs 10 a month. The Superintendent says that the minimum pay of a warder or attendant should be Rs 10- that is the scale adopted in other hospitals & the prisons where 2 on Rs 15, and 3 on Rs 12 and the rest (24) on Rs 10 a month. They should be allowed keeping in mind the dangerous nature of the employment.

The present pay of the cook is Rs 7 a month. This is not enough. I would

and will have to be increased. The Weaver attached to this institution is paid Rs 20 a month. It is impossible to get a skilled artisan on such a low pay. Even

2. As regards the Special Class I it is impossible to the Special Superintendent to get a Matron on a pay of Rs 30 a month. The proposed pay 2 50 – 5/3 – 70 which is the pay fixed to Matrons of other institutions. This will have to be sanctioned.

3. The Special Superintendent proposes the addition of a clerk on Rs 40- One on Rs 30–2–40 may be given, his pay, this present clerk being increased to 20-1-2

4. With the slight modifications in the proposals of the Special Superintendent may be approved

Office of the Senior Surgeon, Mysore Govt.,

Dated, Bangalore, 27th March 1920

17959

From

Rajakarya Pravina

Rao Bahadur T. V. Arumugum Mudaliar, Esq., M. B., C. M.,

Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of

H. H. the Maharaja of Mysore,

Bangalore.

Sir,

With reference to G. O. No.G.28009-10-Med.44-18-30, dated 16th June 1919, I have the honor to forward herewith, as directed ~~thn~~ in paragraph 3 thereof, a proposition statement for the revision of the establishment of the Lunatic Asylum, the necessity for which is briefly explained below.

The proposition relates only to the non-medical establishment of the Lunatic Asylum, the medical establishment being composed of members belonging to the different grades of the medical service and drawing the rates of pay sanctioned to such grades.

It has been found impossible to secure an applicant for the post of Matron of the Lunatic Asylum on the present meagre pay of Rs. 30/- attached thereto. It is therefore proposed to ~~rnxo~~ raise the pay of Matron to the scale sanctioned for staff nurses of the Victoria Hospital, viz., 50 - 5/3 - 70, with a ration allowance of Rs. 20 and clothing allowance of Rs. 2½.

The introduction of several additional registers and the maintenance of accounts on the lines followed in the Madras Asylum, under G. O. No. 3466-7-Med. 75-06)-4, dated 2nd November 1906, and the introduction of the general rules of office procedure more recently, has rendered it impossible for the single clerk sanctioned so far back as ~~hour~~ to cope with the clerical work ~~and~~

na

efficiently. The disadvantages of entrusting the responsibility of the proper maintenance of the accounts, etc, to a low paid clerk have also been alluded to in the audit notes of successive years. It is therefore proposed to have a Head clerk with accounts qualification on Rs.40/- and a second clerk on Rs.30.

There are now 29 warders and attendants on pay ranging from Rs.10 to Rs.5, which is too small. It is proposed to raise the pay of two of these to Rs.15 each, of three to Rs.12 each and of the remaining 24 at Rs.10/- each, which is the least, sanctioned to the menials of the Victoria Hospital under the revision ordered in G. O. No.28009-10-Med.44-18-30, dated 16th June 1919, referred to above.

The pay proposed for the weaving maistry, the gardner, the cooks, the toties and the dhoby is, in each case, the minimum on which would be acceptable to the class of servants. The barbar barber's work with lunatics is one attended with great risk and the present pay of Rs.9½ sanctioned to him is disproportionately small as compared with the risks he is running or even with the market value of such work. It is represented that about 8 to 12 patients will have to be shaved every day and at the rate of two annas per head the value of the work will come to Re.1 or Re.1½ a day. The barber's pay is therefore proposed to be fixed at Rs.15.

The marginally noted establishment which is shown as non-pensionable or paid from the Lunatic Labor Fund or from Contingencies, and have been continued as such ever since their entertainment was sanctioned, as far back as 1896 (G.O.No.386-7-Mis.F.39-92, dated 8th July 1896) and it is hard on these servants to be classed as non-pensionable and temporary while similar menials on the establishment of the Victoria Hospital are borne on the permanent pensionable establishment of that institution. It is therefore proposed to have the entire establishment brought on the permanent list, as their services will always be required and it will not be possible

1 Weaver, 1 Gardner.
1 Brahmin cook,
1 European cook
1 Barber, 1 Tailor,
1 Dhoby, 2 Male toties
1 Female Toti.

to do away with any of these hands.

The only ~~xxxxxxxx~~ temporary establishment will consist of 2 Male attendants and 2 Female attendants entertained on the score of the number of lunatics admitted into the Asylum being in excess of the scale viz., 1 attendant for every 10 inmates. But even with reference to these so called temporary hands it is represented that the distribution of the different wards and the requirements of efficient watch and care do demand fully the ~~xxxx~~ services of the present number of hands which is not capable of reduction.

The proposition involves an additional expenditure of Rs. 266 per mensem or Rs. 3192 per annum and is absolutely necessary for the efficient management of the institution and may therefore be sanctioned as early as possible.

I have the honor to be,

Sir,

Your most obedient servant,

D Cunningham

Senior Surgeon.

To

H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No. G. 3116-Med. 108-19-4, dated 7th August 1920, enquiring whether any modifications in the scale of pay proposed for the establishment of the Lunatic Asylum cannot be made, I have the honor to state that the present pay of the several hands is too low to attract suitable candidates to fill up vacancies. For example, no Matron worth the name will care to accept a pay of Rs. 30 and the result is that not even tolerably capable Midwives can be had to accept the post. The revised pay proposed is Rs. 50-5/3-70, with ration and clothing allowances as in the case of Staff Nurses of the Victoria Hospital. Two clerks are necessary for the institution where a good number of registers and books and accounts have to be maintained and the pay of Rs. 40 and Rs. 30 proposed is the least that will be acceptable to a qualified hand with knowledge of accounts. The present pay of Rs. 20 will hardly satisfy a Lower Secondary Candidate in these days. The minimum pay of menials in all the other medical institutions in Bangalore has been raised to Rs. 10 and the work of the menials of the Lunatic Asylum cannot be said to be less exacting or onerous than that of the menials of other institutions. With the exception of the Weaving Maistry, the Gardner, the Cook and the Barber, the pay in other cases has been fixed at Rs. 10/- the

minimum for menials in medical institutions, as none can be had for less pay. The pay of the Weaving Maistry, the Gardner and the Cook has been fixed with reference to the technical nature of their work and the market value thereof and the Barber has been recommended for a pay of Rs.15 in consideration of the risk and responsibility involved. Under the circumstances I am of the opinion that the rates of pay proposed leave no room for any modification considering the general conditions prevailing throughout and the rates of pay of Hospital servants in the Bangalore and Mysore Cities.

The allowances sanctioned generally to low paid Government servants throughout the State in G.O.No.Fi.449-98-S.& A.23-20-1, dated 19th July 1920, apply equally to the staff of the Lunatic Asylum as to the staff of other institutions which have been granted permanent increases of pay (in the revision of establishment) based on normal conditions and requirements and the extension of the benefit of this temporary relief to the to the establishment of the Lunatic Asylum cannot, it seems to me, be held to affect the necessity for the proposed revision of pay as a permanent measure on grounds already explained in this office letterNo.G.C.339, dated 27th March 1920.

I have the honor to be,

Sir,

Your most obedient servant,
